**Re: United States v. Jesus Alberto Brito Maldonado**  
**21 CR. 167 (LJL)**

Dear Judge Liman,

With the consent of the Government, I respectfully write to request an adjournment of the October 29 status conference. The Government provided the defense with a plea agreement today along with additional electronic discovery containing the contents of multiple cellphones. An adjournment would provide time to review this additional discovery and would give Mr. Brito an opportunity to review and consider the proposed plea offer. The defense is available for a status conference on this matter December 6, 7 (except 10:30 a.m.), 8, 9, 22, 23, and 24.

The Government requests exclusion of time until the next status conference. The defense consents.

Respectfully submitted,
